

January 2005

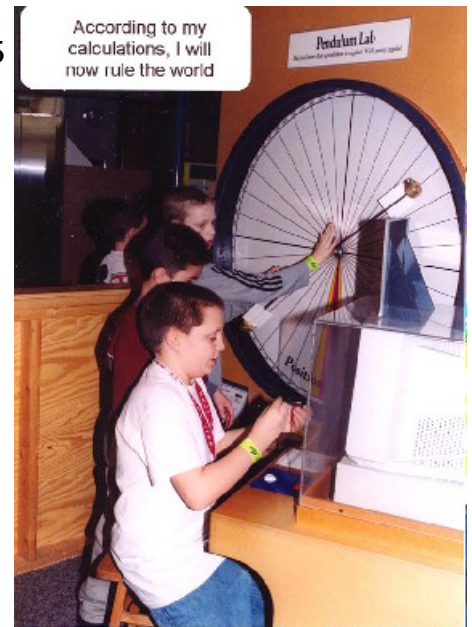

Dear Junior Churchers
and Parents,

It is that time of year again, when the intrepid explorers of First Free Junior Church forget hiking in the great out-of-doors and tackle a museum.

We will leave the church parking lot (by the garage) at 9:00 am on Saturday, January 29, 2005 and spend the day at the Science Museum of Minnesota. We will interact with the exhibits (Including "Chinasaurus"), view the Omnitheater Film "Kilimanjaro: To the Roof of Africa" and see the 3D movie "Mars 3D."

If you are a member of the Science Museum, send your card. Otherwise, the cost will be \$10.00. Please also send \$5.00 (or more) for food. We cannot bring lunch into the Museum so the kids will have to buy at the cafeteria. Some kids also seem to be hungry all the time and may want snacks. Unless we have a miracle of the loaves, this will cost money.

At the end of the day, we will return the kids to their homes or other designated drop-off places.

If you have questions, please call. We will call around to find out for sure who is going.
