Think Global...Act Local! Our Changing Backyard

City Vision Bus Tour

See for yourself how our city has changed and how the Christian Church is responding. You will get a "hands-on" feel for what is really going on in the city. Focused prayer is a part of the tour as well. Come to be educated and stimulated to pray and serve as new "Glocal" (Global + Local) missionaries.

Did you know?

- **The Twin Cities has the largest Hmong, Oromo (Ethiopian), Liberian, Karen, and Somali populations in the USA.**
- **There are 13,000 international students in the Twin Cities.**
- **Twelve percent of the 705,000 immigrants in the Twin Cities attend church – 88% are unreached!**
- **The Phillips Neighborhood in South Minneapolis is the most diverse single neighborhood in America, with over 100 different languages spoken. God has given us the opportunity to be missionaries right here in Minneapolis!**
