Christmas Party 2004

We will be going to the 16th Annual Watertown Madrigal Dinner on Saturday, December 4, at 7:00 pm. Dinner and drama will kick off the evening, ending with a concert by the Madrigal Singers.

For those who want to car pool we will meet at church at 5:45 and take either the church van if there are enough passengers, or else private vans and cars.

The cost is \$17.50 per person. Make your dinner reservations and car pool arrangements by signing up in the ABF hour or calling Mary Anderson at 612- 824- 5573 or Barb Hugo at 612- 869- 4165.

To get there, take Highway 7 about 30 miles west, going past St. Bonifacius, and turning north (right) on Highway 25. The church is visible on the left after you enter the town.

This will be a great time in every way. Fellowship! Entertainment! Worship! Fine Food!

Regathering November 14

After the 6:00 pm All Church Concert of Prayer on Sunday, November 14, Agape and friends will Regather at the home of Marilyn and Jerry Fisher, 3601 46th Ave. So. This ancient tradition allows for wonderful conversation and refreshments. No reservations are needed but hang around in the back after the service until the Fishers leave at which time it should be safe to head over. The simplest route would be Chicago Avenue north to 42nd Street then east (right) on 42nd Street all the way to 46th Avenue and north (left) on 46th Avenue to 3601 46th.

ABF Hour

For November and December, and who knows, maybe even into January, February and beyond, Mr. Troy Holliday will continue to be our teacher.

Waiting in the wings for that time when Troy can't stand us any more, is Rev. Al Tunberg.

Other qualified teachers who have forgotten their past frustrations with "The Unteachables" may be willing to fill in the blanks.

These are very good sessions and we need everybody to make the effort to tear themselves away from the doughnuts and show up for class.
