

Exciting Fall Lineup: Confusing Schedule??

Agape Adult Bible Fellowship (don't say "Sunday School Class" or they will think you are getting senile) will be meeting at 11:00 am in the — oh no, we really have to change that name — "SENIORS ROOM." Can we please call it the "Mauve Room?" This means that Agapeites who want to go to the worship service will go at 9:30 am.

We begin with a 6 week series that will coordinate with Pastor Joel's messages entitled: "A Master-Planned Community"

- September 9 — "Community: It Does A Body Good," taught by Norm Andersen
- September 16 — "Love One Another", taught by Enrique Fernandez
- September 23 — "Encourage One Another," taught by Becky Fernandez
- September 30 — "Serve One Another," taught by Enrique Fernandez
- October 7 — "Forgive One Another," taught by Enrique Fernandez
- October 14 — "Be Devoted To One Another," taught by Enrique Fernandez
- October 21 — Outreach Sunday, missionary speaker
- October 28—November 18, "12 Seeds For Successful Relationships" taught by Norm Andersen

ATTENTION ALL YOU "YOUNGSTERS" FALL GATHERING, SEPTEMBER 21

As Agape approaches decrepitude, some of its number came up with the idea of a social, inviting all the "Younger ABFs" (Sojourners, Makarinos, Metamorphosis and ... the group formerly known as Chaim, now translated as Life.) I guess the attempts at proper pronunciation were resulting in high levels of airborne respiratory pathogens)

Friday, September 21, 7:00 pm in the gym, wear denims and soft shoes and come for the food, door prizes and, yes you heard it right, square dancing, folk dancing and line dancing.

Movement with music satisfies the requirements for step 4 of the 12 step program for recovering Scandinavians.

A donation of \$3.00 will be appreciated and a snack to share. Name tags will help failing memories. Chairs will be provided for those unable or unwilling to actually move.

For Fine Music
Reserve Friday
September 28
At 7:00 pm
Sam Rothman
Free Concert

Mr. Rothman, an outstanding classically trained pianist will move and amaze you with his musical interpretations and also share deeply from the story of his spiritual journey to faith. This is a good event to invite all your friends, neighbors and relatives. An informal time to speak to the artist and buy CDs will follow.

*Congratulations to Grace Vandervort

The groom, who was born in England, has retired from the position of Canadian Director of Red Sea Mission. His first wife died after a long struggle with cancer and Alzheimer's. Grace served together with them in Northeast Africa. Grace, working as a midwife, delivered their daughter who is now grown and lives in Caronport. A small wedding is planned for November 24, 2007. God is good to those who have selflessly served Him for so many years. They will live in Caronport. Blessings!!
